MEET OUR TEAM

WARREN VIGUS
CO-OWNER / VP OF MKTG & SALES

Warren oversees the day-to day business initiatives including client relationships, creative collaborations, strategic partnerships and business development. Longtime Business Manager of 2X NASCAR Champion Joey Logano. In 2016, Warren and Joey co-founded Clutch Studios together.

JOEY LOGANO
CO-OWNER / VP OF STRATEGY

When Joey is not behind the wheel of a race car, he maintains a fast-paced lifestyle off the track as well. With over 15 years as a professional athlete, Joey's perspective and experience helps drive the vision and passion for Clutch Studios.

ELLIOT MABE
PRODUCER / STUDIO MANAGER

Bringing over 10 years of experience managing blue chip clients in the marketing and advertising industry, in 2016 Elliot helped pioneer the startup, Clutch Studios, which has become one of the preferred production locations in the Charlotte, NC area. Elliot has supported over 50 Fortune 100 brands in accomplishing their content creation dreams.

DONNA HARRIS
DIRECTOR OF FINANCE

Donna has successfully implemented strict internal controls, advocated and executed multiple process improvement initiatives, and consistently delivers on challenging goals under demanding deadlines. Donna enhances our team with her uniquely diversified background in human resources, accounting & executive management.

CARA PHILYAW
CREATIVE DESIGN MANAGER

Cara serves as our leader of creative design. From web design, production books, to behind-the-scenes photography and social media content creation, Cara spreads her enthusiasm and creative thinking to all areas of the organization and ensures every client has a meaningful, unique experience crafted specifically to their needs.

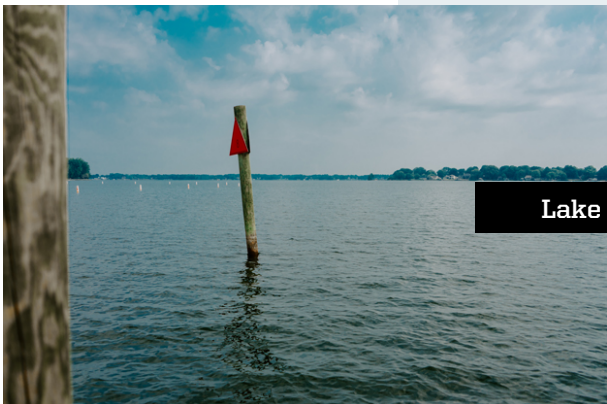

ROBBIE HINSON
OPERATIONS MANAGER

Robbie oversees the safety and operations of Clutch Studios while also working on set alongside crew to achieve successful productions. He assists with scheduling and logistics to successfully execute multiple jobs simultaneously and is known as our customer service guru and go-to person on set for problem solving.
